

Please do not allow LPFM stations to take priority over FM translator service!
K-LOVE is our family's favorite radio station because it is the only one providing clean, family-appropriate music at all hours of the day. Being a military family, we have enjoyed K-LOVE while being stationed in Oklahoma, Georgia, and Oregon. Local communities all over America will be without family-friendly radio if K-LOVE is replaced by LPFM. Please protect our family by not expanding your LPFM service. Thank you.
